Rivers Collide – Melodic Metalcore from Passau, Germany, bringing pure energy to the stage

When Rivers Collide hit the stage, necks start to snap: This melodic metalcore band from Passau delivers a high-energy performance that instantly draws the crowd in. With a powerful mix of crushing breakdowns, emotional melodies, and aggressive vocals, their sound guarantees both goosebumps and non-stop mosh pits.
Their connection with the audience is no coincidence – Rivers Collide pour everything into their live shows, feeding off the crowd's energy and giving it right back. If you're into heavy riffs, raw emotion, and an unforgettable live atmosphere, this is a band you don't want to miss.
Inspired by the merging of three rivers in their hometown of Passau, Rivers Collide combine power, depth and emotion into a powerful musical flow.
